Any one who will send us ONE DOLLAR will receive THE CENTROPOLIS for one year, which makes it the cheapest religious newspaper in America. Many of our friends have urged us, conscientiously, to take hold of the enterprise, believing that the time had come when a strong, non-sectarian, religious journal should be established in this city, the centropolis of the United States, to do battle for the Master's cause where sin stalks abroad so defiantly. It is our desire to make THE CENTROPOLIS a great practical educator, and with this end in view we are securing the best talent in the country to assist us in bringing about this result. Der Deutsch-Amerikanische Mueller.

THE ONLY GERMAN MILLING PAPER PUBLISHED IN AMERICA (ILLUSTRATED).

EUGENE A. SITTING, Publisher.

CHICAGO, - - - - - ILLINOIS.

DER DEUTSCH-AMERIKANISCHE MUELLER is an *independent trade paper*, not incumbered with any special influences. Its columns are not devoted to *puffing* up any one particular firm, and its advertising columns are only open for legitimate business.

DER DEUTSCH-AMERIKANISCHE MUELLER is the only German milling paper, and by far the largest, most interesting and finest looking German trade paper published on this continent. Its reading columns are filled with treatises of a scientific and mercantile character and news of real interest to millers and millwrights. It is now in its eighth year, and has always been, and is at present, recognized (by those who are able to read both languages) as the leading journal of its class—here and in Europe.

The standing of our paper among the milling public is well known. It is not an advertising sheet gotten up for the purpose of deceiving advertisers. Every business man knows that the sure road to success is to *advertise judiciously*. By saying *judicious advertising*, we do not mean that offered by the cheap and unproductive papers that every line of trade is burdened with, but the kind furnished by papers that have both circulation and standing among those intended to be reached by the advertiser. An advertisement that attracts no attention is dear at any price. *But, notwithstanding this fact, there are advertisers who patronize papers that never secure an inquiry for their goods.* Such papers are virtual blackmailing schemes, in which the advertisers are the victims. You may rely upon it as good business principle that *advertising does not pay* in any paper that has not a large amount of matter directly interesting to the trade; and therefore is THE DEUTSCH-AMERIKANISCHE MUELLER an *excellent*, and in fact the *only*, advertising medium for manufacturers and inventors who desire to do business among the German millers in the United States and Canada.

A sample copy of THE DEUTSCH-AMERIKANISCHE MUELLER is sent to every name on our list who is not a subscriber at regular intervals, and thus an advertisement in our columns for one year will be seen by *every one* interested in the trade. As our list is a *live and constantly revised* one, this makes every copy sent out tell for the interest of the advertisers.

Our circulation is guaranteed to be between **11,000** and **14,000** copies each month. P. S.—THE DEUTSCH-AMERIKANISCHE MUELLER is in no way connected with the *American Miller* of this city, or with any mill furnishing house whatever.

Bellmont, so-called after Hon. Robt. Bell, a prominent attorney of Mr. Carmel, was founded in February, 1872, by Gett. Joachim, and it has had a steady and sure growth, and is now one of the most thriving villages in the State. The population will not exceed 60, yet the tide of emigration has not abated, and numerous additions will, ere another year, cause Belmont to be recognized in regions where as yet it is unknown. Village organization was adopted in December, 1883, and the place is now taking rapid strides in improvement. The village is located on the Louisville, Evansville & St. Louis Railway, midway between Louisville and St. Louis, and the surrounding country is highly cultivated. The land is fertile, the stock the best sent to market, and the farmers and their wives are not only comfortably rich, but are the pictures of perfect health and happy contentment.

The Household Companion.

CIRCULATION, 15,000.

SPECIAL NOTICE.—It will pay you to advertise in **THE HOUSEHOLD COMPANION**. This popular monthly circulates in every State and Territory in the Union. The bulk of the circulation is in the great West and South. We often send out extra editions of from five to ten thousand, and regular advertisements are inserted in all the extra editions without additional charge.

It *pays* to advertise in **THE HOUSEHOLD COMPANION**, because it is a family paper, read at home by all the family. Being a monthly, it will be proportionately more valuable to advertisers than a weekly paper, as, being issued less frequently, it is read, preserved and kept before the readers a very much longer time, and because we are advertising the year round in over 100 papers and send sample copies free, this alone adding hundreds of names to our lists weekly. To advertisers who deal with their patrons by mail, those who desire agents, or, in fact, all advertisers who wish to bring their goods prominently before the buying public, our paper offers a superior medium. We want every responsible advertiser in the United States to give our columns a trial, and we are confident it will pay them well.

ADVERTISING RATES.—Fifteen cents per Agate line net for each insertion. Reading notices, 30 cents per line. No extra charge for cuts or display. Copy wanted on or before 10th of each month, as we go to press on the 15th. Send for sample copy. Address,

MORGAN PARK, - - - - - ILLINOIS.

TO ADVERTISERS:

THE OLD TESTAMENT STUDENT has, with the Hebraicæ, a regular monthly issue of 5,000 copies. It is the only journal of its kind in this country. Its subscribers and patrons—ministers, teachers and scholars—are all centres of influence in the communities where they reside, thus rendering its circulation many times more valuable than that of any periodical circulated among educated and uneducated miscellaneous. It consequently reaches more men of the above class than any other one journal. Since THE OLD TESTAMENT STUDENT of necessity strikes the centres of education and influence in every parish and village, city and country where it goes, its value as an advertising medium is apparent at once to advertisers. A monthly journal (10 numbers) in the interests of Old Testament literature and interpretation.

The Philadelphia Times.

CHESTNUT AND EIGHTH STREETS. - PHILADELPHIA.

THE TIMES will enter upon the new year stronger and more prosperous than ever before in its history—more widely read and quoted, more heartily commended, and more fiercely criticized, with a more complete organization, and an abler staff of contributors—and with the same independence and fearlessness that has made it successful and powerful in the past.

THE TIMES has no party to follow, no candidates to advance, but will meet every issue, as it has ever done, with consistent devotion to the right, to honest government, and the public welfare. And, while maintaining its position as the leading journal of Philadelphia, it will aim to be continually in the advance in all that can add value to a newspaper.

The value of a newspaper is not in its size or display, but in the intelligence and care, the conciseness and freshness with which it is edited. THE TIMES spends lavishly for news from all parts of the world, but all its dispatches are carefully edited and condensed, in order to give the complete news of the day in the most concise and attractive shape, and with it a large variety of entertaining and instructive reading. The best writers at home and abroad are employed to enrich its columns, and to make it a journal adapted both to the busy man and to the leisure of the home circle, a welcome visitor to intelligent and honest citizens of every political, religious, and social taste.

THE WEEKLY TIMES is altogether different from the weekly newspapers of twenty years ago. The day of those papers is gone by. The telegraph and better local newspapers everywhere, especially in the thriving centres of rural population, have made the old weekly metropolitan newspaper unsatisfying. Those that cling to their ancient usages have lost their hold on our forward-moving people; they are but shadows of their former greatness, and they have but a shadow of their former power. Those papers have had their usefulness, but it is gone; and, with it, they are going, too. It was not the fault of the papers; it was the improvement of the country that brought about the change. Men and women, wherever they live, now require fresher news; and they require more than news.

THE WEEKLY TIMES gathers off the types of every passing week whatever has lasting interest to people at large, and sets it before them in such generosity of paper and print as would have astonished us all twenty years ago.

DAILY—Twelve cents a week, fifty cents a month, \$6 a year, two cents a copy.

SUNDAY—Four cents a copy, \$2.00 a year.

WEEKLY—One copy, \$2.00 a year; five copies, \$8 00 a year; ten copies, \$15.00 a year; twenty copies, \$25.00 a year, with one copy free to the getter-up of every club.

TO ADVERTISERS: THE SKAFFAREN AND MINNESOTA STATS TIDNING, a secular and religious newspaper, published every Wednesday in the Swedish language at 231 East 7th St., St. Paul, Minn., is now running in its seventh volume. From its very start it secured an extensive circulation throughout the Northwestern States, which circulation has continually increased until its weekly issues are now being read by over 30,000 people, and still it is booming. As an advertising medium to reach the large masses of Swedish people living in the cities and on the farms throughout the Great Northwest it has not its equal. The advertising rates of the SKAFFAREN AND MINNESOTA STATS TIDNING are unquestionably very low.

NEW HAMPSHIRE.

Has a larger circulation than any other Weekly agricultural and family paper published in New England, except one; larger than the combined circulation of any other two weeklies published in New Hampshire, having averaged 17,795 copies during the forty-six weeks since its enlargement in December last. It has gained nearly five thousand subscribers during the year, and I have reason to believe the average for 1884 will be over 20,000. No advertiser can reach the best paying patronage of New Hampshire, Vermont, and Maine so well and so cheaply by any other medium. For the character and extent of its circulation the rates are very low—14c. a line each insertion—or, if continued four times or more, 12½c. a line, with liberal discounts on large orders. The standard rate for weekly papers is 1c. a line for each thousand of circulation, while THE MIRROR AND FARMER rate is less than three-fourths of a cent.

The Daily Mirror and American

Reaches nearly all the people who have money to spend in a city of about forty thousand inhabitants, and surpasses all other mediums for advertising in Manchester. Rates for a square of seven lines (½ inch), \$2.25 for a week, \$5.00 a month, \$20.00 a year.

Manchester is a live, prosperous and growing city. A census taken in June, 1882, showed a population of 36,503, and at this date, October, 1883, it is without doubt nearly forty thousand. Several new mills have been built, employing a large number of operatives, and there are manufactured here 22½ mles of cloth per day, fifteen locomotives a month, fifty steam fire-engines a year, and an endless variety of other products of skill and industry. The corporations employ 11,000 operatives and pay in monthly wages over \$400,000. A trial advertisement in one or both these papers, it is believed, will induce further orders.

The Sanitary News.

HEALTHY HOMES AND HEALTHY LIVING.

A SEMI-MONTHLY JOURNAL OF SANITARY SCIENCE.

PUBLISHED AT CHICAGO ON THE 1ST AND 15TH OF EACH MONTH.

NEW YORK OFFICE, - - - - - 10 SPRUCE STREET, NEW YORK CITY.

EUROPEAN OFFICE, - - - - - 50 FINSBURY SQUARE, LONDON, E. C.

G. P. BROWN, EDITOR AND PROPRIETOR.

JNO. K. ALLEN, ASSOCIATE EDITOR.

THE SANITARY NEWS is the only representative sanitary journal in this country, and has attained distinction abroad. It covers the entire field of sanitary science, but in a comprehensive and practical manner. The paper has thus become an authority among sanitarians and a guide to all the trades and professions which have to do with the construction of a house. Special attention is given to plumbing, drainage, ventilation, heating, lighting, sewerage, house-furnishing, decoration, etc.

THE SANITARY NEWS is superior, not only in the quality of its contents—not a line of useless or extraneous matter being allowed in its columns—but also in its mechanical appearance; no other journal published uses as heavy and highly-calendered paper, nor as good type in printing.

Advertisers cannot find a better medium for reaching the trades and professions named than THE SANITARY NEWS, as the paper goes to all the leading architects, plumbers, civil and sanitary engineers, municipal and health officers, and sanitarians generally. The rates are reasonable and will be furnished on application.

The WOOD RIVER TIMES is published at Hailey, the seat of the vast and rich Alturas
County, the chosen terminus of the Wood River Branch of the Oregon Short Line Railway

HOUSTON, - - - - - TEXAS.

ESTABLISHED 1879. INCORPORATED AND REORGANIZED, 1883.

THE BRIGHTEST, BEST AND CHEAPEST NEWSPAPER IN THE SOUTHWEST.
DAILY AND WEEKLY EDITIONS. NEW PROPRIETORS!
NEW EDITORS!! NEW LIFE AND BLOOD!!!

Since THE POST commenced its new career under new management its growth has been unprecedented. Its wonderful advance in circulation, in advertising, in influence, in popularity, warrants the claim of a leading position in Southern Journalism. No expense or effort will be spared until THE POST is recognized as the greatest as well as the brightest paper in the South. THE POST—as the leading Democratic newspaper in the Southwest—knows no faction, and recognizes no individual ambitions and aspirations aside from the general good of the party and the State of Texas. It seeks the triumph of principles—not men. It upholds great Democratic ideas and ideals—not a faction or a fraction of the party.

What has been already done in the magnificent improvement of THE POST is merely the beginning. THE POST will continue to be improved during the coming year in all its departments. It proposes to continue to be, above everything else, a journal for the family as well as for the business man; and while it pretends to no portentous dignity, it will be clean and dignified, and at the same time sparkling and vivacious.

THE DAILY POST (8 pages, 48 columns) contains all the news, complete and interesting. Well considered editorials on every subject—political or social. Complete commercial and market reports.

THE WEEKLY POST (8 pages, 64 columns) is made up from the cream of the Daily Editions. It is essentially the paper for the Family, the Merchant, the Farmer, the Mechanic, the Artisan, the Professional Gentleman, and, in fact, for the PEOPLE. It is ably edited, and, all combined, makes

The Editor and Publisher has grown to manhood among his subscribers and readers, and has as large a general acquaintance as any man in the county. Answers to a majority of advertisements come from the farming community, and on account of the numerous swindlers on the farmers in the last few years, they are more chary of answering advertisements in foreign papers, than in the home papers. HELLO! HELLO! HELLO!

I'm Puck!

I COME FROM PUCKVILLE, PUCK CO., PUCKANSAW,
AND I AM ALL HERE!

Why do I want to take you by your lily-white hand, and lead you away into a corner, and talk with you? Do I want to tell you where you can find a dumb barber, or a landord who is too bashful to collect his rents?

No, not particularly. I simply wish to corral your attention, and induce you to answer the following questions:

1.—Where do you see PUCK?

Answer.—Everywhere.

2.—Where don't you see PUCK?

Answer.—Nowhere. You don't see PUCK nowhere? That is not grammar. You mean there is nowhere that you don't see PUCK.

But what are the facts?

Here they are: In the Gilded Halls of Luxury, in the Humble Hovel of Honest Poverty, in the Barber's Shop, in the Millionaire's Private Office, in the Establishment of the Dispenser of Spirituous Refreshment, in the Sunday-School, in the Library of every Military Post and Man-of-War, in the Work-

shop, in the Reading-room, in the Cafe, in the Library, in the Parlor, in the Third-story-back Room, in the Legislative Halls, in the Cham-

ber of Commerce, in the Russlan Bath, in the Hotel, in the Billiard-room, in the Boudoir, in the Sick-room, in the Doctor's Office, in the Palace Car, on the Steamship, in every Club Reading-room, on every respectable Newsdealer's Stand, you see PUCK.

Everybody reads PUCK; everybody talks about PUCK

Have you not observed that in places where no other illustrated paper is to be found PUCK is always on hand?

Is there ever a political crisis or a great social event when people do not say, "Wonder what PUCK will have about it next week?"

Oh, you have noticed these little things?

Well, we thought you had. Very well, then, what is the logical conclusion to be drawn therefrom?

THAT PUCK IS THE BEST PAPER TO ADVERTISE IN. THEREFORE,
ADVERTISE IN PUCK!

His rates are \$1.00 per agate line for each insertion. Discounts:—5 per cent. on 50 lines, 7½ per cent. on 100, 10 per cent. on 200, 15 per cent. on 300, 20 per cent. on 500, 25 per cent. on 1,000. They are good, healthy rates; but if you want to have a good thing you must pay fairly for it, and you are not overcharged when PUCK lends you his circulation to benefit your business.

Now sit down in your easy-chair and look over the list of the papers you advertise in, and judge for yourself if there is one that gives you so much circulation, of so good a sort, as PUCK gives you for the money.

Listen to my warbling, and set the gray matter in your convoluted brain to work; and if you want more information on this subject you may write to

TO ADVERTISERS.

THE POPULAR SCIENCE MONTHLY,

Conducted by E. L. and W. J. YOUMANS,

Established in May, 1872, has reached a large circulation and is steadily increasing. The character of the circulation must of necessity be the very best—worth more TO ADVERTISERS than a circulation of four times the number in a magazine of a miscellaneous character.

Questions relating to the *preservation of health*, the *prevention of disease*, and the *improvement of sanitary conditions*, have become subjects of careful and exhaustive study by intelligent and accurate observers, from which facts of the utmost practical value for the amelioration of the conditions of life have been derived. Scientific inquiry has led to a better understanding of subjects of *domestic and social economy*, to the introduction of better ways of living, and to improved applications in arts of every kind. It aims to present the results of the most careful thought and precise inquiry on the subjects of *personal and household hygiene, medicine, architecture, agriculture*, the improvement of *food products*, and the detection and prevention of adulterations.

Address HENRY W. QUINN, Advertising Department, D. Appleton & Co.,

1, 3 & 5 Bond Street, New York.

The Sun.

NEW YORK, 1884.

About sixty million copies of THE SUN have gone out of our establishment during the past twelve months.

If you were to paste end to end all the columns of all THE SUNS printed and sold last year, you would get a continuous strip of interesting information, common-sense wisdom, sound doctrine and sane wit long enough to reach from Printing House Square to the top of Mount Copernicus in the moon, then back to Printing House Square, and three-quarters of the way back to the moon again.

But THE SUN is written for the inhabitants of the earth; this same strip of intelligence would girdle the globe twenty-seven or twenty-eight times.

If every buyer of a copy of THE SUN during the past year has spent only one hour over it, and if his wife or his grandfather has spent another hour, this newspaper in 1883 has afforded the human race thirteen thousand years of steady reading, night and day.

It is only by little calculations like these that you can form any idea of the circulation of the most popular of American newspapers, or of its influence on the opinions and actions of American men and women.

THE SUN is, and will continue to be, a newspaper which tells the truth without fear of consequences, which gets at the facts, no matter how much the process costs, which presents the news of all the world without waste of words and in the most readable shape, which is working with all its heart for the cause of honest government, and which therefore believes that the Republican Party must go, and must go in this year of our Lord, 1884.

If you know THE SUN, you like it already, and you will read it with accustomed diligence and profit during what is sure to be the most interesting year in its history. If you do not yet know THE SUN, it is high time to get into the sunshine.

The Electra.

LOUISVILLE.

- - -

KENTUCKY.

A SUPERB NEW MONTHLY.

THE ELECTRA has now become an established success in the land. It was started in May, 1883, and has from each succeeding issue received a very encouraging return in new subscribers. That most excellent magazine, *At Home and Abroad*, was purchased by the publishers of ELECTRA in September, and was merged into THE ELECTRA. Thus THE ELECTRA has secured, within the first year of its existence, a constituency of the best reading people of our land, larger than is often secured by other magazines of its class only by years of patient effort; it having averaged during the first eight months more than 3,500 per month. Its subscribers now represent every State in the Union and almost every Territory, with some in Europe and a few in Asia. Its contributors are among the best, both North and South, East and West. Thus while ELECTRA occupies a great central position geographically, we intend it shall represent the great central influences which must emanate from a literary magazine of the highest order, which, while it will serve for delightful recreation in every leisure hour, will, at the same time, help to ennoble, purify and stimulate in all right and elevating directions. It has been the aim of the editors to make a magazine equal in general interest to the leading monthlies of enormous circulation; but, while not sacrificing its beauty and attractiveness, to contribute more that is instructive, solid and truly valuable.

SOME COMMENDATIONS FROM THE PRESS:

"Having carefully read THE ELECTRA, we now sincerely and cordially congratulate its editors. In its pages we find nothing of a second-rate character. The tone throughout is elevated, both in the matter and in the manner of expression; the useful is also delightfully blended with the beautiful. Young people will be charmed with it, and those of maturer age will likewise read it with avidity."—*San Diego Union, Cal.*

"It is carefully edited, full of life and grace, and should have a large constituency."—*Gospel Banner, Augusta, Maine.*

"ELECTRA improves with each number."—*Literary Criterion.*

"ELECTRA deserves a place in every educated home."—*Canada Presbyterian.*

"The management of the magazine has been good, and its success has been flattering. It is now on a permanent basis of success, and readers need have no fears of its future."—*Christian Observer, Louisville, Ky.*

"The November number of THE ELECTRA is intensely interesting. A fine steel plate of 'Tasso at the Court of Ferrara' opens the number, and throughout the whole, the matter is of the most entertaining character."—*The Observer, Ontario, Can.*

The Peacemaker

AND COURT OF ARBITRATION

Seeks to promote peace and prosperity in all the relations of life. Separate departments are devoted to INTERNATIONAL RELATIONS, EUROPEAN PROGRESS, AMERICAN ADVANCEMENT, CHURCH INTERESTS, INTERESTS OF INDUSTRY, EDUCATIONAL INTERESTS, DEATH PENALTY, PENOLOGY, SOCIAL CIRCLE, HOME LIFE, YOUNG READERS, ALL READERS, UNIVERSAL PEACE UNION, etc., embracing everything calculated to advance mankind towards the condition predicted by the prophets, heralded by the angels, and pronounced as a salutation, benediction and beatitude by Jesus Christ. Each number contains good engravings and much valuable information, usually about one hundred different articles, including poems, short essays, incidents, stories, and editorial brevities, carefully compiled.

Its circulation among highly intelligent readers, including ministers, statesmen and philanthropists throughout the country, renders it specially desirable for advertisements of a superior order of merit, and the character of the magazine is a guarantee of the reliability of its advertisers.

Advertisements, if accepted, inserted at ten cents a line for the first insertion, and liberal deduction if continued.

OPINIONS OF THE PRESS AND CORRESPONDENTS.

THE CHURCH UNION: "It does not counsel submission to wrong, but prefers arbitration to fighting, and would apply the principle to every department of life, from international courts down. The Universal Peace Union has been in existence sixteen years, and is spreading its views over the world with gratifying results."

BALTIMORE LITERARY CRITERION: "It is unsectarian, and in its advocacy of the principles of peace deserves the support and co-operation of all who desire the realization of the promised peaceful and happy results of Christianity in the world. It is filled with reading matter pertinent to its sphere."

SOUTHWESTERN CHRISTIAN ADVOCATE: The *Peacemaker* is a new monthly, containing a fair summary of the latest intelligence on anti-war topics."

GERMANTOWN TIMES: "It is replete with teachings of peace by arbitration, and well deserves the support of the general public. Henry S. Clubb, pastor of Christ Church, on Third Street, above Girard Avenue, is the indefatigable editor."

THE PHILADELPHIA COMMERCIAL LIST, S. N. Winslow, editor, says: "The *Peacemaker's* pleasant face comes to us with the advent of November, and is bright, and hopeful and earnest. Its articles are numerous, varied, and all imbued with the master idea controlling its columns—peace among men."

THE BELLEFONTE REPUBLICAN: "The *Peacemaker* is devoted to the advocacy of a cause which should be near the heart of every good person. It is neatly printed, and is sold for \$1.00 a year, or ten cents a number, which is very cheap."

PHILADELPHIA EVENING BULLETIN: "The *Peacemaker* is a modest but excellent and earnest advocate of universal peace, of arbitration rather than of war, that is published monthly at 402 Race Street, for \$1.00 a year. Henry S. Clubb is the editor, and he shows good judgment in his writings and his selections for the magazine, of which eight numbers have already appeared."

CHRISTIAN NEIGHBOR: "We are pleased with the appearance of this monthly, and also with its matter."

FLORENCE L. CONRAD: "Many thanks. The *Peacemaker* arrived as requested. It is quite a treasure."

JONATHAN WHIPPLE, MYSTIC, CONN.: "The February number of the *Peacemaker* is received, and its entire contents carefully perused. I think that your selection and arrangement of choice, short articles is excellent."

AMANDA DEYO: "I shall do all I can for getting the *Peacemaker* among the people. I like it more and more. I hope thee may long live to carry on thy noble work so ably begun."

CHARLES LEMONNIER, GENEVA, SWITZERLAND: "Your *Peacemaker* is well arranged, and becomes more and more interesting."

MRS. LUCIA C. MILLER, LE ROY, N. Y.: "The *Peacemaker* for April is received. I think it is the best number I have seen. I liked especially the article on games."

REV. M. H. EUKES, MONROE, GA.: "I am much pleased with the title of your publication as well as the object of its publication. I see no more reason why nations should fight than men."

J. LUNDY BROTHERTON: "I am moved to express my gratification at the growing improvement of the *Peacemaker*. It may well challenge comparison with anything in its line of publication, and shows the hand of an expert in its editorials, mechanical and artistic finish."

MR. J. M. WASSON, of Richmond, Ind., formerly editor of the *Olive Branch:* "I am much pleased with the mechanical appearance of your *Peacemaker*, as well as the matter it contains. You have set the example to bury all local or personal considerations for the common cause. This would be a philanthropy worthy of a noble cause."

Truth.

A MORNING NEWSPAPER, PUBLISHED EVERY DAY IN THE YEAR, AT NEW YORK.

TRUTH is a four-page paper, six columns to the page, and nearly as large as *The New York Sun*.

TRUTH was first published on the 2d of December, 1879. Its circulation has constantly grown ever since, and is now greater than that of any other New York Daily except *The Herald*.

THE WEEKLY EDITION OF "TRUTH"

Will contain the general news of the week to the hour of publication; the mining and financial news; vivid descriptions of important events; interesting special letters from Washington; expositions of the operations of Monopoly in all its forms—bank, railroad, land, telegraph, etc.—and the measures proposed for their circumvention; and editorial discussions of current, political, social, industrial and religious topics.

Every farmer, every merchant, every manufacturer, every man who works for wages, should inform himself of the movements of that class which is rapidly growing more and more rich and powerful at their expense, by monopolizing the forces of nature and the media of transportation, distribution and communication, and making these necessities of all workingmen (employer and employed) instruments of oppression and plunder. The Weekly Edition of TRUTH will supply this information and supplement it with editorial comment, discussing the subject candidly and fairly, but without fear of the power of attacks or hope of any other reward than the confidence of its readers.

FOR HALF A DOLLAR A YEAR

The Weekly Edition of TRUTH will lay before the public the latest thought, not alone of its own staff, but of some of the ablest of recent investigators of social and economic science, respecting the causes of the obvious tendency of wealth to concentrate in the hands of the few (who neither work nor yet spin, but Solomon in all his glory was not arrayed as one of them), and the increase of poverty and dependence among the industrial classes.

"TRUTH"

Is neither Democratic nor Republican. It is independent of everything except the best interests of the people—the greatest good to the greatest number.

Sixty years ago Daniel Webster (and therein he proved his great statesmanship) said:

"The freest Government cannot long endure, where the tendency of the law is to create a rapid accumulation of property in the hands of the few, and to render the masses of the people poor and dependent."

That such is the tendency of the laws now, no one who candidly and intelligently (uninfluenced by his own wealth, uninspired by his expectations of wealth) surveys our industrial condition can deny. The more population and machinery increase—the greater the accumulation of the products of labor—the poorer the laborer (employer and employed) seems to be, and the richer does the idler grow who has monopolized the sources of wealth.

It is the mission of the Weekly Edition of TRUTH to arouse the people to a realization of the fact that we are approaching that condition which Webster deplored. And that even the poorest man, who is interested in the welfare of himself and children now and his and their posterity hereafter, may have access to facts and discussions relating to this momentous subject, the price of the paper has been fixed at the lowest sum at which it can be published—

HALF A DOLLAR A YEAR.

Subscribers unable to procure fractional currency may remit postage stamps.

Weekly, \$1.00.

THE ONLY MEMBER OF THE WESTERN ASSOCIATED PRESS IN NASHVILLE,
AND THE ONLY PAPER ISSUED EVERY DAY.

THE AMERICAN, published in Nashville, the Capital of Tennessee, is the result of a consolidation of the two oldest journals of the State, the *Republican Banner* and *The Union and American*, files of which date back to 1812.

The consolidation was effected September, 1875, and gave to THE AMERICAN the large subscription lists of both its predecessors, which it has steadily increased from date of consolidation to a circulation never before attained by any paper in this section. The publishers now confidently claim the best newspaper published in the South, reaching with its several editions of the Daily and Weekly every village, country town, and small post office in Tennessee; while it is spread broadcast throughout the populous counties of Southern Kentucky, Northern Georgia, Alabama, Mississippi, and going extensively with its regular mails, into Arkansas, Louisiana and Texas. THE AMERICAN is a member of the Western Associated Press, giving to every issue the full volume of Associated Press Dispatches from all parts of the world, simultaneously with the leading Western journals. It is the leading Daily published at the capital of a State, rich in native resources and commerce—the centering point of six important Railway through lines, and within an hour by rail of half a dozen thriving, populous county-seats. It is on sale at all news-stands in this section of the South, and is a welcome visitor at the fire-side, in the workshops and business houses all over Tennessee and adjoining States.

TO ADVERTISERS.—The rates of advertising in THE AMERICAN enabling you to address this large and intelligent constituency are reasonable. Sample copies mailed free and terms of advertising furnished on application. Address,

THE Daily and Weekly Advertiser.

LONDON, - - - CANADA.

CIRCULATION—DAILY, 7,000; WEEKLY, 25,000.

HON. DAVID MILLS, EDITOR.

W. MAGEE, SECRETARY-TREASURER.

From *Buntin, Bro. & Co., Paper Manufacturers, Toronto*: "Having for many years supplied the blank paper used in printing the Daily and Weekly editions of THE LONDON ADVERTISER, we can state positively that the circulation claimed corresponds with the amount of white paper delivered by us for printing that journal."

From *Northrop & Lyman, Leading Wholesale Druggists, Toronto*: "The ability with which THE LONDON ADVERTISER is conducted, combined with its very large circulation, makes it, we believe, one of the best mediums for general or special advertising in Canada."

CIRCULATION OF ADVERTISER.—Our list contains the names of the best people in all sections, and reaches 3,000 post-offices. The paper is carefully read by all portions of the household—not only by the head, but by the wives, sons and daughters. We claim that THE ADVERTISER HAS NO RIVAL as an advertising medium for the Western Peninsula.

THE WESTERN ADVERTISER was established in 1864, and in 1875 THE WEEKLY LIBERAL, of Toronto, a first-class newspaper of extended circulation, was amalgamated with it, under the present title, WESTERN ADVERTISER AND WEEKLY LIBERAL. To this amalgamation is due its large Eastern circulation, while it is WITHOUT A RIVAL in the West. It has also large lists in every part of the Dominion and of the United States. Sixty-four columns, eight pages, cut and pasted.

No other Weekly Newspaper in Ontario, West of Toronto, has 10,000 Subscribers; and no other Daily Newspaper in the same section has 6,000 Subscribers.

The Daily Graphic.

THE ONLY ILLUSTRATED DAILY NEWSPAPER IN AMERICA.

39 - 41 PARK PLACE, - - - NEW YORK.

EIGHT PAGES, - - - \$12.00 PER YEAR.

THE GRAPHIC—PAST AND FUTURE—

PRESENTS GREETING TO ITS TENS OF THOUSANDS OF FRIENDS WITH THE BEGINNING OF THE NEW YEAR, AND WANTS TO REMIND THEM OF TWO OR THREE RATHER IMPORTANT FACTS.

It believes it has been quite as enterprising as any of its contemporaries, and its facilities for *illustrating the events of the day* have unavoidably made it superior to all others as a family journal. It proposes to continue to be, above everything else, a journal for the family as well as for the business man, and while it pretends to no portentous dignity, it will be clean and dignified, and at the same time sparkling and vivacious. It proposes no heavy spread of indigestibles; but will give the gist, the pith, the spirit of everything that the readers of a newspaper want to know. It will be such a paper as the brisk, nervous, active spirit of the country requires. It believes it has been bright and sparkling without being vulgar; that, in fact, it has been the cleanest paper in America. This it will continue to be. *It is read by the wealthiest and most intelligent classes, and that is the kind of intellect it strives to please.*

THE GRAPHIC refers with pride to the fact that it was the first paper to begin the war against monopolies. It believes in the intelligence not only of classes, but in that of a majority of the people, and it will study the interests of the whole from a business, a political, and every other point of view. By serving the intelligence of the masses, it has found, by actual experience, it best serves itself.

THE GRAPHIC likewise has reason to be proud of the excellence of its *financial columns*. This department is known and respected throughout the country, and its prognostications as to the course of prices have been so accurate that they have created not only the largest confidence in the paper, but a great deal of appreciative surprise.

But what has been done is merely the beginning. THE GRAPHIC will be improved during the coming year in all its departments. It understands fully the great advantage it possesses as the only illustrated Daily in the world, and the only illustrated Daily worthy of being so called that can be produced. Its illustrations will be more varied and better as to execution hereafter than heretofore, and will include local subjects to a larger extent than heretofore.

In brief, THE GRAPHIC will be a paper for intelligent men and women to read and admire, and will serve the people and their interests to the best of its ability and its exceptionally great advantages.

The Weekly Graphic,

FOR HEARTH AND HOME,

Has an average of forty-eight columns of pictures and type matter, including the cream of the matter from THE DAILY GRAPHIC, a Weekly Review of the News, an Agricultural Department, Information for the Household, Regular Fashion Reports, etc., etc. Its design is to be a FAMILY FAVORITE, and it will ignore politics the better to carry out the design. There will be no better weekly in the world during 1884 than THE WEEKLY GRAPHIC. Its pictures will be devoted to live matters; its literature will be of the very best character; its information for the FAMILY and the FARM will be varied and useful; and it will so condense the news of the week that its readers will be kept thoroughly informed. It will contain a summary of the week's transactions in Wall Street and various other money centres.

198 CHAMBERS STREET, - - - NEW YORK.

One Dollar per Year. Ten Cents a Copy.

This monthly periodical has taken the place of the cumbersome Railway Guide in providing information for the traveller.

The *Continent* says: "Its information is such that the traveller has no excuse for losing his way."

Beside reliable railway time tables and descriptive routes, it furnishes a large collection of humorous sketches, poems and paragraphs, of which the press criticisms are always flattering.

THE MAGAZINE is under the editorial management of STANLEY HUNTLEY, Esq., author of the "Spoopendyke Sketches," aided by such occasional contributors as R. J. Burdette of the Burlington *Hawkeye*, Eugene Field of the Chicago *News*, Geo. T. Laulgan of the Rochester *Post and Express*, J. H. Williams of the Norristown *Herald*, Bill Nye, Opie P. Read, Charles Lewis (M. Quad), Detroit *Free Press*, and others.

It is invaluable to the home and the traveller, and the fact that its circulation has steadily increased year by year will be appreciated by the advertiser.

"THE BEST ADVERTISING FIELD IN THE SOUTH."

RICHMOND, - - - - - VIRGINIA.

THE DISPATCH COMPANY, PUBLISHERS.

Advertisers will find that the DISPATCH is incomparably the best medium in Virginia for reaching *buyers* amongst merchants, manufacturers, farmers, mechanics, miners, railroad companies, colleges, schools, ministers, lawyers, physicians, State, town and county officials, and all classes of our people. It is the leading Democratic newspaper, is published at the capital of the State, which has a population of 72,000; Manchester (on the opposite side of the river) has 7,000, and Richmond's suburbs 5,000—total 84,000. Six railroads centre here, two of which control over 6,000 miles of railroads. Its 714 manufactories have an invested capital of \$11,525,430, employ 16,597 workmen, and sold in 1883 \$28,297,061 of products. The jobbing trade of Richmond in 1883 amounted to \$19,500,000. The whole of Virginia is prospering, and is an active field for advertisers. Within ten years one and a half million acres have been added to the area under cultivation, making over twenty millions of acres of farming lands in use, while the increase in staple farm products has been greater than the increase in acreage. There are over 2,500 miles of railroad on our territory, 600 miles of which were built in the past four years, and there are now 200 miles more under construction. New towns, villages, furnaces, factories and mills have sprung up on these great highways of trade. Our foreign and inter-State commerce has quadrupled in the past ten years.

The DAILY DISPATCH has a larger circulation in Richmond than the combined circulation of all the other daily newspapers of the city. Outside of Richmond its circulation is larger than any daily newspaper in the State. It is served by newsdealers and carriers in all our principal towns and on railroad passenger trains. The WEEKLY DISPATCH more thoroughly covers all the counties of the State than any newspaper published in Virginia.

☞ *Sworn statements of the circulation of the DAILY and WEEKLY DISPATCH will be furnished advertisers.* They will thus know how much they get for what they pay.

For schedule of advertising rates address THE DISPATCH Co., Richmond, Va., or any reputable advertising agent.

THE LOVING JOURNAL PUBLISHING COMPANY IS THE PROPRIETOR AND PUBLISHER OF THE ABOVE PUBLICATIONS.

THE TEXAS LIVE STOCK JOURNAL is the only paper published in the world devoted EXCLUSIVELY to the interests of live stock on the range. It is unique in style and matter, is indispensable to the ranchman, and has a large circulation from the Yellowstone to the Gulf of Mexico. THE JOURNAL is an eight-page paper, a most unique feature being four or five pages of cattle brands—inserted by cattle owners to facilitate the recovery of estrayed or "drifted" stock—and these brands indicate the widespread circulation of the paper.

THE TEXAS WOOL GROWER is a paper devoted exclusively to the interests of the sheep and wool growers of the United States, and goes to every sheep ranch in Texas, with a growing circulation in other sheep-growing regions. THE WOOL GROWER is an eight-page, forty-column paper, and has reached a circulation greater than that usually acquired by the ordinary weekly. The great extent of the sheep-growing region will explain this marvelous increase; and there does not appear to be any limit to the field in which THE TEXAS WOOL GROWER is working. The circulation is already national in character.

THE WEEKLY GAZETTE succeeds the *Weekly Democrat-Advance*; is an eight-page, fifty-six-column paper, and has an extensive circulation in all parts of the country.

THE DAILY GAZETTE (eight pages, forty-eight columns), successor to the *Daily Democrat-Advance*, is the only morning daily west of the Trinity River in North Texas, and goes to every town and village in this section.

WITH THESE VARIOUS PUBLICATIONS ADVERTISERS ARE OFFERED A MEDIUM WHICH REACHES ALL CLASSES AND PROFESSIONS, AND WHICH CANNOT BE EXCELLED IN THE SOUTHWEST.

INDEPENDENT AND FEARLESS!

The Jewish Herald.

24 DUANE STREET, - - - NEW YORK.

THE JEWISH HERALD is the *red-hot Independent Weekly* which fearlessly tells the TRUTH. It has a host of enemies, a host of admirers, and is read by both more than any other Jewish paper. In reality it has the largest circulation of any one of them, and is the *only* German medium for the Jews in this city. As an advertising medium it has no equal.

HINTS TO ADVERTISERS:

1. The Jew is a man who needs three times as much for his family as the average man.
2. The Jew pays his bills promptly, and Jewish trade is everywhere considered as the most desirable.
3. To reach the Jew you must advertise in the Jewish papers.
4. Jewish papers in the country cost \$4.00 and \$5.00 a year, while the JEWISH HERALD, the bright, red-hot and independent, is sold at \$2.00 a year, hence it is plain that our subscription list is, as we claim, the largest of any Jewish paper in the United States.
5. THE JEWISH HERALD is the only Jewish periodical in the city which has part of it printed in German.
6. Therefore, if you intend to increase your business it will pay you to advertise in THE JEWISH HERALD.

Heart and Hand.

CHICAGO, - - - - - ILLINOIS.

A SEMI-MONTHLY JOURNAL.

DEVOTED TO THE DISSEMINATION OF USEFUL KNOWLEDGE FOR THE UNMARRIED.

The necessity for the existence of a moral and trustworthy matrimonial paper like HEART AND HAND will be apparent when it is known that the sexes are not properly distributed in the United States. According to the census of 1880 there are nearly 100,000 more men than women in the East, and a corresponding ratio of males over females in the West.

HEART AND HAND affords a respectable medium between them, and the appreciation in which it is held is shown by its well-filled columns (each number contains over one hundred advertisements of those wanting correspondents) and large circulation.

THE COURT JOURNAL AND DISTRICT COURT RECORD is the official journal of the District Courts of New York, under the direction of the Justices thereof. It is a weekly journal, and supplies a valuable want, long desired and greatly needed by real estate owners, Agents, lawyers, and all connected with building or its many branches—as it is the only journal published that furnishes official information as to the relations existing between landlord and tenant throughout the County; hence it is kept on file by the largest real estate owners and operators. It supplies valuable information to all our business houses as to who are being sued for debts for sums of \$250 and less, such as retail business people and their customers. It is invaluable to the large class of dealers who sell on the installment plan, such as Furniture, Pianos, Sewing Machine, Picture, Carpet Dealers, etc., etc., as it furnishes weekly an official copy of all mortgages executed during the week; also mechanics' liens on real property.

THE COURT JOURNAL AND DISTRICT COURT RECORD is now two years in existence, and its success is so marked that it is now on file in every public office in the County of New York, from the Supreme Court down, and is a recognized journal for information on all law matters for business men. Its circulation is now steadily maintained—**20,000** weekly. It has a limited space for advertisements on the sixth, seventh and eighth pages at 20 cents per line; on fourth and fifth pages, at 50 cents per line.

Our circulation being among the best wholesale and retail business houses, and being of such a special and valuable nature to your business, we respectfully solicit your advertisement at above rates, allowing a discount of 15 per cent. off for six months, and 25 per cent. off for one year.

The advertising pages are a complete directory of our leading manufacturers and dealers in Confectionery, Chocolate, Licorice, Glucose, Fancy Goods, Easter and Christmas Novelties, Toys, Candy Boxes, Drugs, Flavors, Essential Oils, Extracts, Gum Arable, Fruits, Nuts, Vegetable Coloring, Starch; also Tools, Machinery of all descriptions used in the trade, Cracker and Biscuit Bakers and their Machinery, together with an infinite number of Specialties that constitute a storehouse of information which is invaluable.

THE NEW YORK CONFECTIONER was established in 1881, and is the most successful trade paper published. Although its circulation is so large, we have not fallen into the common error of making advertising rates too high. Our prices are as low as is consistent with profit. OFFICE OF
Sunday Free Press.

WASHINGTON, D. C., April 1st, 1884.

GEORGE P. ROWELL & CO., NEW YORK.

GENTLEMEN: We again insert our advertisement in your very valuable Directory, and invite the advertising public to inspect THE FREE PRESS and the rates.

\$500

Says that THE FREE PRESS has more real *bona-fide* subscribers in Washington than any other *three* Sunday papers in the city. What we mean is of people who subscribe month in and month out for THE FREE PRESS. We are willing to submit the evidence to any three business men in the city. In making this proposition we do not seek to injure our contemporaries, for they all publish good papers, and no doubt have a good circulation.

PLEASE NOTE.

Please observe that THE SUNDAY FREE PRESS is the only newspaper published in the City of Washington, D. C., serving its subscribers in the Capital, Georgetown, Alexandria, Uniontown and Bladensburg by office carriers on the route system. It has 21 routes and 40 carriers to distribute its large Sunday edition. This is worth remembering. No city newspaper can have a large local circulation without a route system under its control. It cannot be accomplished otherwise. A moment's reflection will convince any one that this is true.

CONTENTS: Forty columns reading matter. Only one column on a page devoted to advertising. The advertiser is thereby benefitted and the reader is not cheated. No paper can cheat the reader and receive his patronage. No advertiser can have justice done him with his advertisement immersed in a whole page of advertisements.

All outside advertisements hereafter in THE FREE PRESS will stand next to pure reading matter. Only ONE column of advertisements admitted on any one page of THE FREE PRESS.

The attention of advertisers is called to the claims of THE LAFAYETTE DAILY AND WEEKLY DISPATCH as an advertising medium. There are several reasons why it is the best medium for advertisers in this section of the country, viz.:

1. It has the largest circulation in this city and vicinity.
2. THE DISPATCH has the only circulation in all the towns, in a radius of fifty miles around Lafayette.
3. THE DISPATCH issues two editions each day, and advertisers get the benefit of both editions.
4. It has the largest circulation in the County of Tippecanoe and City of Lafayette.
5. The Daily DISPATCH is the only Daily Democratic paper in Lafayette, or Tippecanoe County, or in the Ninth Congressional District.
6. THE DISPATCH is the official paper of the City of Lafayette and of the County of Tippecanoe.
7. THE DISPATCH is the only paper in Lafayette which gives advertisers access to at least one-half of the people, while several others are required to accomplish that important fact for advertisers.

PHILADELPHIA. - - - - PENNSYLVANIA.

IMMENSELY POPULAR.

THE LEADING FAMILY PAPER IN THE UNITED STATES.

The hold which this beautiful illustrated weekly retains upon the people's confidence seems astonishing, but it is due entirely to the real worth of its varied contents. The value of the Stories is not measured by the enormous sum of money they cost, but by the eagerness of the people who read them. It takes ten tons of paper every week to print it. That is over 20,000 pounds. And ten times twenty thousand people anxiously await its weekly coming. The advance agent of one of the best patronized traveling shows in America, in speaking of the wide-spread popularity of this family paper, said that "wherever he found three trees growing, there he found SATURDAY NIGHT." He meant to say that all the people, all over the land, in every town and every village, love their favorite paper, and that their liking for it was deep-rooted and permanent, not superficial and temporary, changing as the seasons change, and dying with the year.

WHEREVER IT COMES, IT COMES TO STAY.

Every weekly issue of the SATURDAY NIGHT contains a quality and quantity of literary material satisfying to every member of the family, young and old. *Its stories are of standard excellence.* The most gifted authors seek SATURDAY NIGHT as the channel by which they may gain reputation.

NEW YORK.

Rev. RAPHAEL D. C. LEWIN, Editor and Publisher.

DEVOTED TO HUMANITY, JUDAISM AND LITERATURE.

The principles upon which this paper is conducted may be thus briefly summarized :

Judaism is not a mere sectarian faith, but is a world-embracing religion, hence every project having for its object the welfare and happiness of the human race should be of paramount interest to every Jew. THE JEWISH ADVOCATE, therefore, earnestly endeavors to promote every measure calculated to overthrow bigotry, intolerance and superstition, to advance mankind in true religious knowledge, and to unite all God's children in a common band of brotherhood.

As an exponent of Judaism it maintains a perfectly independent position. It is above party spirit, and will never become the organ of any clique, congregation or individual. It studies the welfare of the general body of Israelites, and uses every legitimate means for their elevation and advancement.

As a literary journal it aims to diffuse useful knowledge, and in its columns will always be found good, chaste and interesting reading matter. The best effusions of the great Jewish writers, both of ancient and modern times, form a prominent feature of the paper.

THE JEWISH ADVOCATE has for several years labored faithfully to become worthy of the great cause it serves, and it points with pride to its past course as evidence of the truth of this assertion. That course will be steadily adhered to in the future.

THE EDITORIAL DEPARTMENT

is conducted in a spirit of honest independence, advocating Truth, Right and Justice, and condemning error and wrong wherever they may exist.

THE FRATERNITIES AND NOTES ON JEWISH EVENTS

are departments which furnish reliable information on all subjects of interest occurring in the Jewish community both in this country and abroad. They are always full and interesting.

LITERARY NOTICES.

Under this caption are given reviews of all the prominent works issued by the leading publishers, thus enabling the readers of the paper to keep themselves acquainted with the current literature of the time.

In addition to the preceding, the paper will continue, as heretofore, to furnish original and selected articles on Jewish Theology, History and Literature. Extracts from the Talmud and other Rabbinical works, Sketches of Jewish Life, Popular Essays, Notes of Travel, Tales, Short Stories, Anecdotes, etc., etc.

The Fancy Goods Graphic.

361 BROADWAY, N. Y. \$1.50 PER YEAR; SINGLE COPIES, 15c. ESTABLISHED 1880.

Advertisers furnished with absolute proof of circulation. The motive that actuates a large majority of publishers in withholding positive information as to their actual circulation should not be misunderstood; THE FACTS WILL NOT WARRANT IT. Shrewd advertisers should demand satisfactory proof of circulation, as without it, it is absolutely impossible to determine the *exact rates* of advertising. By persistent energy and enterprise, we have built up a large circulation extending into every State and Territory without exception. Our circulation is principally among the large and prosperous retail dealers throughout the country, including Dry Goods Merchants, Notion Dealers, Milliners, Variety Stores, Stationers, Jewelers, Toy Dealers, Druggists, Hardware Dealers, and the numerous General Stores and Fancy Goods Dealers generally.

THE FANCY GOODS GRAPHIC is read, preserved, and used as a ready reference and correct price-list. The representative paper of its class—occupying its own special field. No competition. For fall and holiday advertising THE FANCY GOODS GRAPHIC will be found specially profitable. Try it and be convinced. THE FANCY GOODS GRAPHIC is the handsomest publication of its kind issued. Sixty pages. Superbly illustrated. It is a welcome visitor to the family circle. Correspondence invited. Parties expecting to increase their advertising, or to make use of new mediums, will do well to write us. LEVI S. LEWIS, PUBLISHER, P. O. BOX 2402.

EIGHT REASONS WHY EVERY FIRM WISHING TO REACH THE RETAIL SHOE TRADE OF THE UNITED STATES SHOULD ADVERTISE IN

BOSTON, - - - MASSACHUSETTS.

Because it is devoted wholly to the interests of the trade by whom their goods are sold.
Because the terms are exceedingly reasonable and are based on the actual circulation.
Because every advertisement will be placed either facing or on the same page with reading matter, a fact all advertisers will appreciate.

Because the publisher will see that each patron receives careful attention among the reading notices—a point sometimes overlooked by trade journals.

Because each advertisement will be well displayed, and being printed on a good quality of paper will appear at its best advantage.

Because no advertising pays better than that directed by an advertiser to the special class by whom his goods are sold. Do not forget this point.

Because the readers will be looking for the latest styles and bargains in shoes, and for the trade novelties which are brought out from time to time. He is wise who takes advantage of this curiosity.

Because, if the seven previous reasons be taken as so many premises, the conclusion naturally is, that it will be for your interest to advertise in **THE SHOE DEALER**. Address, stating size of space wanted, with the time to be inserted, and the terms will be forwarded at once.

“Justice.”

A WEEKLY NEWSPAPER. ESTABLISHED IN 1882.

PUBLISHED AT
28 WEST BROADWAY, NEW YORK.

We would call attention to the advantages of “JUSTICE” as an advertising medium. It has a large circulation, extending into every State and Territory in the Union, and also in Canada and British Columbia.

Through the patriotic liberality of Peter Cooper and F. B. Thurber, we have been enabled to offer liberal cash prizes to Agents, and many thousand copies are sent out each week to new fields to aid our rapidly increasing circulation.

Our subscription list, together with the Specimens, all of which are mailed in single wrappers, has often exceeded 60,000 copies per week—which makes “JUSTICE” a desirable advertising medium.

The paper has lately been enlarged to sixteen-pages, and otherwise greatly improved. It now embraces the qualities of a first-class literary or family journal, which, together with the sound principles it advocates, makes it more popular than ever.

The Cincinnati Democrat.

CINCINNATI, - - - - - OHIO.

THE DEMOCRAT is published on Saturday. It is a complete newspaper; a mirror of all human activity; a compendium of delightful stories, instructive miscellany and pure morality. Politically it is devoted to the advancement of what it considers the true interests of the Democratic party.

It believes that the principles of Thomas Jefferson are as true to-day as when first enunciated; that the Protective Tariff is an infamous robbery of the many by the few; that the Republican party has outlived its usefulness (if it ever had any); that it is thoroughly disorganized in its political traditions and tendencies, and is a synonym for political intrigue and rottenness.

But while advocating the above principles, it cordially invites free and full discussion of all national issues, from Democrat and Republican alike.

THE DEMOCRAT possesses unrivalled facilities in every department essential to a perfect newspaper. The public need not fear retrogression.

Its newsgatherers are in every hamlet; its editorial and reportorial corps thoroughly organized, and its telegraphic connections complete.

"Why," we are often asked, "are you not Independent? Why prejudice Republicans by declaring your platform?" "Independent" papers are independent frauds. There is no such thing. Any man and any paper worthy of the name, has decided politics.

We respect conscientious Republicans, personally, as highly as Democrats; but we believe they have fallen among thieves and political tricksters.

We also realize that the Democracy of to-day has in too many cases wandered far from the traditions of Thomas Jefferson. We aim to promulgate the genuine, not the false.

In justice to our Republican readers, and to THE DEMOCRAT as a complete newspaper, we throw our columns open to our opponents, and they are treated courteously.
